

Community Service Form Grades 6 through 12

This agreement must be filled out completely and signed by the appropriate Bible teacher before starting any community service projects. Once approved the project supervisor will need to (1) fill out the area evaluating the service provided by the student, (2) sign and date the form with the number of hours worked, and (3) include an address and phone number for contact purposes. If the form is not signed by the appropriate Bible teacher, the student and parent, and the supervisor, the hours will not count toward the community service requirement. **¼ of the total number of hours need to be completed each 9 week period.**
